Fill out the 2024 Tech Fellows application

In Progress - Last edited: Jun 20 2023

Form for "Fill out the 2024 Tech Fellows application"

This is my form.

2024 Tech Fellows application form

Welcome to FSU Tech Fellows Program Summer 2024 application. Please complete the questions below. You must press the green "Mark as Completed" button to formally complete the task.

**Note the application process will also require you to upload a resume/CV and solicit a faculty member to fill out a recommendation form via Survey Monkey.

If you have any questions, please contact David Montez, Associate Director of the Center for Undergraduate Research & Academic Engagement (CRE), at dmontez@fsu.edu. For more information, visit <https://cre.fsu.edu/innovation/fsu-tech-fellows>.

All applications are due Monday November 5, 2023 by 11:59 pm.

Please enter the information below.

First Name	Jane
Last Name	Doe
FSU Email	jdoe@fsu.edu
Phone Number	754-339-####
Preferred Pronouns	(No response)

Academic Information

Expected Graduation Semester (must not graduate before Fall 2024)	Spring 2025

Minor(s)	N/A
Cumulative FSU GPA	(No response)
Number of credit hours earned by the end of Fall 2023	(No response)

Are you a part of the CARE program? (Students registered with the CARE program are eligible for financial assistance)

Yes

2023 Tech Fellows Application

Why do you want to participate in the Tech Fellows program? What knowledge/skills do you hope to gain from this program? How does participating in this program relate to your future academic and career goals? (300 word limit)

(No response)

In what way/s do you think you can add value to a technology-based startup or an entrepreneurial incubator?

(300 word limit)

(No response)

Describe why you are interested in entrepreneurship or working with a startup? (300 word limit)

(No response)

Entrepreneurship and academic research involves a lot of troubleshooting. Tell us about a time you had to troubleshoot a problem. Describe the situation. How did you overcome the problem? What did you learn from the process of troubleshooting?

(No response)

Is there anything you would like us to know about you (e.g., significant personal accomplishments, challenges you have overcome, talents you have cultivated, etc.)?

(No response)

Are you willing to participate in all pre-, during, and post-program assessment initiatives and contribute to the weekly blog during your internship?

(No response)

All Tech Fellows will be required to attend a 0-credit hour Spring course. Will you be able to attend this course?

(No response)

How did you hear about Tech Fellows?

No Responses Selected

Next Steps: Upload Resume/CV and Request Letter of Recommendation

Read this!

For this form to be formally submitted you must press the green "Mark as Completed" button below.

After completing this form you will be required to complete two other tasks. Upload a Resume/CV and request a faculty member to complete a recommendation form through Survey Monkey. Both are required. Your resume should cover your past work experiences, achievements, and technical skills. Examples of relevant technical skills are proficiency with web development platforms, specific graphic design tools, Linux Distro(s), scripting languages, HTTP methods, etc.

The faculty recommender should attest to your capacity to work within a challenging, immersive, and independent environment for a period of up to 12 weeks. It may also include comments regarding your ability to work independently, to think critically and creatively, and to problem-solve. The recommendation may also attest to a baseline of technical skills that may be of use within a technology-based startup and/or incubator.

Upload your resume/CV (required)

Incomplete

Request a recommendation (required)

Incomplete

Before submitting your request for a recommendation form, be sure that you have confirmed with the faculty member that they will complete the form by Sunday Nov. 5th. If needed, do not hesitate to remind your faculty recommender of this deadline. If you or your faculty recommender have any difficulty completing this task, please email Dave Montez at dmontez@fsu.edu.
