 PURPOSE: The College of Social Work at Florida State University’s Undergraduate Research and Creative Activity Awards foster directed research and creative opportunities for undergraduate students in the field of social work at FSU.

AWARD DESCRIPTION: Selected applicants will receive a summer stipend of up to $4000 to carry out their proposed research or creative project for twelve weeks under the direction of a supervising professor. Funds may be used for living expenses, materials, and/or travel. The project culminates in a oral presentation at the Showcase of Undergraduate Research Excellence in Fall 2014.

MENTORED RESEARCH AND CREATIVE ENDEAVORS (MRCE): When you apply for the SWURCAA, you are encouraged to also apply simultaneously for the MRCE/URCAA award. The MRCE has the same requirements and procedures as the SWURCAA, but offers a $1000 award instead of $4000, and culminates in a poster presentation rather than an oral presentation at the Fall Showcase.

ELIGIBILITY: All social work undergraduate students are eligible to apply (with a supervising professor) provided that they:
   - Are enrolled at FSU at the time of application
   - Will have completed at least 12 credit hours at FSU before initiating the research or creative activity
   - Will return to FSU as an undergraduate the fall following the summer research or creative activity period

SELECTION CRITERIA: Selection criteria include the student’s academic record and achievement, initiative, expression of academic and career interests, and the project’s feasibility and intellectual merit. Finalists will be interviewed.
